BEFORE COMING TO CLASS:

- **Your sewing machine MUST be able to function in “free motion” – feed dogs down, or covered. Know how to adjust your machine BEFORE class. Please clean it and make sure it is in good working condition before coming to class.**

ALSO BRING:

- Sewing machine feet: 1/4” foot (for accurate seaming), foot for free-motion sewing such as embroidery or darning (can be open or closed toe). Walking foot (for quilting) is also very useful.
- General sewing supplies: straight pins (not the long quilting size), several empty bobbins, needle for hand sewing, fabric scissors, thread nippers, pencil, lint brush, etc.
- Sewing machine needles: Size 70/10 (sharps, jeans or universal), and size 60/8 (universal)
- Threads: cotton strongly preferred, such as Mettler silk-finish, weight 50/3. Colors needed:
 - light pink and medium pink (for cherry blossoms),
 - medium green (for middle distance trees, should have slight contrast with fabric),
 - dark green (to match distant trees),
 - blue-green (for statue on dome),
 - medium brown or taupe (for tree trunks)
 - medium gray (for piecing),
 - white (for quilting)
- Rotary cutter, mat, rulers. The 12½" square and 6" square rulers are the best sizes for this class.
